## 使用恒达门·打开幸福门

孔夫子曾说过，“谁能出不由户？”  
门，出必由之，入必由之。从入门这一刻开始。  
历练风雨的沉淀，从容高雅的气质，  
透过雄浑的线条与圆润的轮廓显露无遗，  
在纵横交错的时光中，  
凸显细致平凡中高贵自信的文化气质与修养态度。

Kongfuzi once said, "Who can do anything?"  
The door must go out of it, and it must go. Begin with this moment of entry.  
Experience the stormy weather, elegant temperament,  
Exuded by the powerful lines and rounded contours,  
In crisscrossing time,  
It highlights the cultural qualities and self-cultivation attitudes of noble  
and confident individuals.

*A feast of art is starting...*

与时代前沿的美感，寓美于平实，显艺于质感，

The design concept is unique, luxurious and practical  
Compatible with traditional carved craftsmanship, and the aesthetic sense of the time,  
Embrace beauty in plainness, show art in texture,  
It is more timeless than ever to be modern.
